Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach an apparatus for supplying gamma signals that compares a first analog gamma value from a digital to analog converter controller to an analog gamma value from a plurality of column drive units and outputs a gray level value based on a second analog gamma value if both analog gamma values are substantially identical.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peguy JeanPierre whose telephone number is (571) 272-1803. The examiner fax phone number is (571) 273-1803.
